## Tuesday August 19th Skagit Area Drive

Plan to join us Tuesday August 19<sup>th</sup> for a north tour centered in Skagit County. We'll start at 10AM in Stanwood, head north to Samish Island, Edison, and winding roads beyond. The tour will end with lunch in Edison. It's about an 80 mile route.

This is a bit of a test. Members have expressed interest in a weekday tour. This event should have you opposite rush hour traffic if you will be coming north through Everett. We hope the tour route will be more enjoyable, avoiding a busy summer weekend.

Save the date and we'll send out more details later.

Hope to see you then!
