

Please join us at the
2025 All Triumph Drive In
Port Angeles, Washington
September 11—14, 2025

We are very excited to invite all our Triumph friends to Port Angeles, at the foothills of beautiful Olympic National Park.

Our host hotel is the Red Lion of Port Angeles, which has beautiful views of the Strait of Juan de Fuca and seaside walking paths, as well as a pool and a large Triumph parking and car-talk area. There's a hotel restaurant plus we're in easy walking distance to murals, restaurants and shops.

Come early so you can enjoy all the Friday events—car tours, including a Crescent Lake Poker Run or scenic backroads tour of Sequim, a tech session, and our Meet and Greet fajita bar, followed by Videos by Julius! The Saturday car show is near the picturesque Clallam County Courthouse, built in 1914. Following the show, drive to Hurricane Ridge, then enjoy another tech session at the hotel. The day ends with the traditional banquet and awards evening.

You may want to extend your stay to take in more sights in the Olympic National Park, including Lake Crescent Lodge, Sol Duc hot springs and waterfalls, or a ferry ride to charming Victoria, Canada.

We look forward to seeing you and sharing Triumph stories and adventures together!

Sincerely,
Sherilynn and Rick Casey, ATDI Chairs

Scenic Tour Information

Lake Crescent Backroads (Guided tour)

ATDI Poker run is back! Join us for a tour of beautiful backroads near Lake Crescent and Agate Beach, a blast from the past at the Joyce General store (the general store first opened in 1911, making it the longest continually operating general store in Washington), lunch at Log Cabin Resort at Lake Crescent, and check your poker hand at the Camaraderie Winery. Under 60 miles round trip with frequent stops.

Sequim Backroads (Guided tour)

This tour will be led by Andrew Loehr, a native of Sequim, who has driven the area's back roads for many years. We'll start by visiting the Sequim Cars and Coffee event. Then we're on to enjoy seeing farm country, an active dairy with home made ice cream, Marine Drive with amazing views of the Pacific, Mount Baker, and Victoria, Dungeness Spit, as well as the historic Carlsborg Mercantile store built in 1915 and lunch at the Carlsborg Old Mill Cafe. Under 60 round trip miles with stop opportunities along the way.

Hurricane Ridge (Guided tour)

Take the iconic drive to Hurricane Ridge with magnificent views to reward you at the top and along the way. It provides the only vehicle access to the remote high country of the Olympic National Park and has an elevation of 4,242 feet. Look out at 6,900 foot Mt Olympus, the highest peak in the Olympics! The drive is 40 miles round trip.

For this tour, you must get your National Park pass in advance.

The Olympic National Park website shows the pass options. A seven day pass for a car is \$30.00. If you are 62 or older, you can purchase an annual pass to all the National Parks for \$20! If you have one already, don't forget to put it in the glove box!

Ediz Hook (Self-guided tour)

Ediz Hook is a three-mile long peninsula that offers stunning views of the Olympic Mountains, the Strait of Juan de Fuca and the city of Port Angeles. You can drive, walk or bike the first 2-miles along this spit, before turning around at the Coast Guard Base at the end of the spit (the final mile is not open to visitors). There are two parks at Ediz Hook: the Sail and Paddle Park, and Harborview Park, with plenty of benches and picnic tables to enjoy the glorious views. It's less than a mile away from the Red Lion so an easy short outing.
