

Please Join Us for the ATDI 2017 Rocky Reach Dam Show

Wenatchee, Washington

August 10-13, 2017

We are really excited to invite all of our Triumph friends to the beautiful Columbia Gorge and to the Apple Capital of the World, Wenatchee, Washington.

Our planning committee chose Wenatchee as a site because of its central location for the Canadian, Idaho and Oregon clubs. Another big factor for the selection was the Rocky Reach Dam facility. It offers acres of manicured grass, shelter, close proximity to our host hotel and a panoramic view of the Columbia River that speaks for itself. The drive to and from the site should provide some of the best scenery that Washington has to offer.

We are emphasizing the social aspect of our event with a brew pub tour, a Thursday social event, and a Friday tour to Chelan with a catered British-themed lunch at The Shadow Mountain Events Center. Friday evening we will enjoy a social gathering and Saturday will include, of course, the evening awards banquet.

One option that people may enjoy is the Pybus Market, just a mile or so from the host hotel, offering a variety of unique shops and restaurants. For those wishing to visit local wineries, many are close by and we'll provide a listing for you. Another venue that I would recommend you visit is the Ohme Gardens, a beautiful example of Japanese gardening that is just three miles from the hotel. We'll include a brochure from the Gardens along with a coupon for a discounted admission fee.

All the planned drives are on pavement. The sole exception is a section of The Ohme Gardens parking lot, but dust shouldn't be an issue.

Since our gathering takes place in the middle of August and temperatures will probably be in the 90's, everyone needs to take that into consideration. The show site offers shaded areas with tables and there will be plenty of free water available.

We have been very pleased by the reception given to us by our host hotel, The Red Lion, The Rocky Reach Dam management and the people in Chelan. Our hope is that everyone will have an enjoyable experience at the 2017 Rocky Reach Dam Show.

Sincerely,

Tom Sewell, ATDI Chairman
Larry and Eileen Ingersoll, ATDI Planning Committee
Tom Waddell, ATDI Planning Committee
