

British Invasion – 22nd Annual Cruise the Narrows Car Show

August 3, 2019 - Gig Harbor, Washington

Show Hours: 8am – 3pm

(Tye members are meeting earlier to arrive together)

THE BRITISH ARE COMING! THE BRITISH ARE COMING!.....Well, to Gig Harbor anyway!

We have been invited by the **Gig Harbor Cruisers** to participate in the 22nd **Annual Cruise the Narrows Car Show** as this year they are “**featuring everything British**”. The show was traditionally held at the Gig Harbor Airport, but several years ago got moved to Uptown Plaza. For more information on the club or the show see: <http://www.gigharborcruisers.com/car-show.html>

As you may know, this show is not a regular Tye Triumph event, but a new event is always fun to try! This show as with most, is usually a mix of Detroit Iron along with some other fun “vehicles” such as; boats, campers, & tractors. **Let’s show them some Coventry Pride by showing up with our Triumphs!**

They will provide parking for us as well highlight our club on stage and throughout the day. They will also have some special awards available to our members. They have no limitations to vehicles and are looking forward to our participation. They try to focus on the right details making participants feel special. This formula has been working for over 20 years!

Depending on the number of Tye Triumph cars and so we can arrive together, **let’s meet at McDonalds off of Olympic Drive (5500 Olympic Dr. NW, Gig Harbor, WA 98335) at 6:45 / 7am. Have a short meeting at 7:10am and depart for Uptown Plaza promptly at 7:15am.** We will take a short drive to arrive together as a right-hand turn into the plaza to avoid separation. Now we know this is early, but just think, it will be already 3pm where our cars were manufactured so only 2-hrs left until cocktail hour!

Uptown Plaza is a nice plaza with; Safeway Grocery, lots of shopping, I believe 9-restaurants, and a movie theatre that serves wine & beer in case anyone is really bored! For more information see: <https://www.uptowngigharbor.com/directory/restaurants/>

After the show and as a bonus, downtown Gig Harbor, a short drive away is beautiful and fun.

So we can provide a somewhat accurate number of cars and they can save space for us, **please RSVP by Saturday, July 27** to Fesa or I at johnandfesa@gmail.com or call either of us at: 253.313.8822 (John) or 815.505.1563 (Fesa)
